RECOMMENDATION

It is recommended that the Board receive an update from the San Luis Obispo County Anti-Gang Coordinating Commission (AGCC) reflecting current San Luis Obispo County gang activity as well as progress in achieving the goals and objectives of the AGCC Strategic Plan presented to the Board of Supervisors in June 2009.

DISCUSSION

A Strategic Plan of the Anti-Gang Coordinating Commission (AGCC) was developed in 2008 and addressed the mission of the Commission: to reduce the magnitude, frequency, and violence of gang activity in San Luis Obispo County. A presentation of the Anti-Gang Coordinating Commission's Strategic Plan was made to the Board of Supervisors on June 2, 2009.

A number of years have passed since the last update and the Commission would like to present to the Board of Supervisors an update regarding the progress that has been made in addressing specific goals and objectives set forth in the areas of prevention, rehabilitation and re-entry, and detection and suppression of gangs and gang activity in San Luis Obispo County. Included in the presentation will be a discussion of the next steps in order to answer the question, "Where should we go from here?"
